# About the Company

Waterstone is a leading player in the Indian polymers industry, primarily dedicated to providing innovative water storage solutions. Established in 2018, with more than 400+ dealers and distributors, 1500+ retailers and 1 manufacturing units, Water Stone has emerged as a trusted name synonymous with quality, reliability, and technological excellence.

At Waterstone, we specialize in the manufacturing and distribution of a diverse range of plastic products tailored to meet the evolving needs of residential, commercial, and industrial sectors. Our comprehensive product portfolio includes a wide spectrum of high-quality water storage tanks, bathware products and household plastic products.

With a strong emphasis on innovation and customer satisfaction, Waterstone continues to set new benchmarks in the industry. Our state-of-the-art manufacturing facilities, strategically located across India, enable us to deliver superior products consistently while ensuring cost-efficiency and environmental sustainability.

At the heart of our operations lies a commitment to quality assurance and compliance with international standards. Waterstone products undergo rigorous testing and quality control measures at every stage of the manufacturing process, ensuring durability, performance, and peace of mind for our customers.

Beyond business, Waterstone is deeply committed to social responsibility and community development. Through our corporate social responsibility initiatives, we strive to make a positive impact on society by supporting education, healthcare, and environmental sustainability initiatives in the communities we serve.

Driven by a vision to be the preferred choice for water storage solutions, Waterstone continues to innovate, grow, and serve our customers with excellence.

# 5-LAYER

## WATER STORAGE TANK

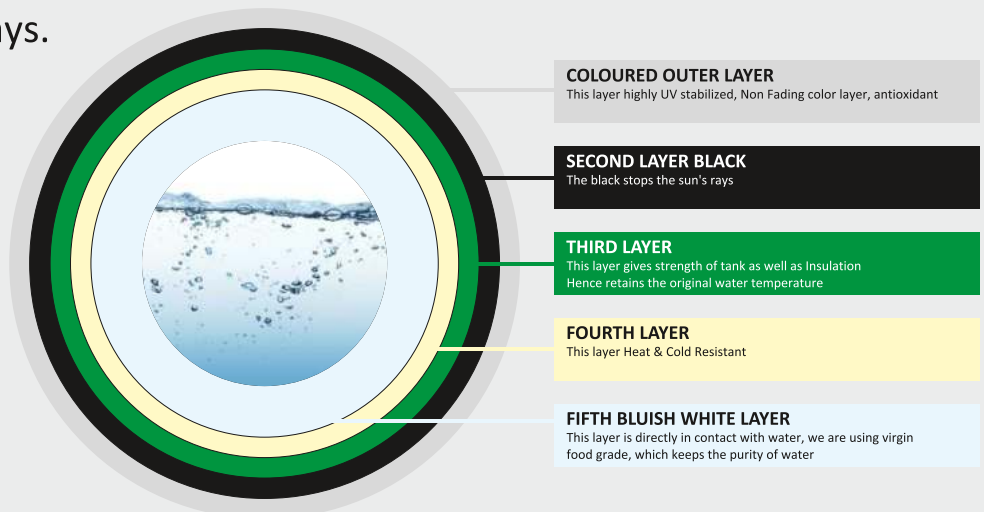

### Hygienic

**Water Stone** Water Storage Tank Inner anti-bacterial layer resistant to all kinds of bacteria & Fungi which in turn means increased life of the tank. Odorless water. Better quality of water, which means better health for you & your family.

### 100% MAINTENANCE FREE

**Water Stone** Water Storage Tank come with smooth finish. Unique Heat Reflective Technology for enhanced durability and avoidance of plastic degradation by sun rays.

# SMART WATER TANK

UV Sun Shield Layer

Titanium Loaded Layer

Heat Reflected Layer

Extra Protection Layer

Anti Bacterial Layer

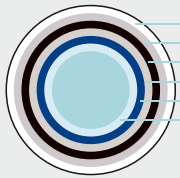

## Features:

- Advanced Anti-Bacterial Layer: Guarantees water purity and safety with an inner anti-bacterial layer, effectively preventing bacterial contamination.
- Double UV Sun-Shield Layer: Provides reliable protection against harmful UV rays, preserving water quality and integrity.
- Grey-Coloured Stability Layer: Offers additional strength and stability to the tank, enhancing its structural integrity.
- Titanium-Loaded Layer: Reinforces the tank's durability for long-lasting performance, ensuring resilience against wear and tear.
- Heat-Reflective Golden Lime Colour Layer: Helps maintain water temperature and ensures water safety with its heat-reflective properties, promoting optimal conditions for storage.
- Injection-Moulded Threaded Lid: Features a robust injection-moulded threaded lid for secure sealing.
- Wide Range of Sizes: Available in sizes ranging from 500 to 1000 litres, catering to various capacity needs and providing options for different applications.

# ROTO WATER TANK

**Double Foam  
6 Layer**

- White Finish Layer (outer layer)
- First Foam Insulated Layer (second layer)
- Black Colour UV Sun-Shield Layer (third layer)
- Inner Foam Insulated Layer (fourth layer)
- Titanium Strength Layer (fifth layer)
- Anti-microbial Layer (inner layer)

## Capacity:

500 / 750 / 1000  
1500 / 2000 / 5000 Ltr.

## Features:

- **Advanced Anti-Microbial Layer:** Ensures water purity and safety, safeguarding against microbial contamination.
- **Double Foam Insulation:** Twin foam layers maintain water temperature stability, delivering consistent performance even in extreme environmental conditions.
- **UV Sun-Shield Layer:** Provides robust protection against harmful UV rays, preserving water quality and integrity.
- **Titanium-Enhanced Layer:** Crafted with high-quality titanium loading, the layer enhances both tank strength ensuring durability.
- **Elegant Granite Finish:** The striking outermost layer boasts a luxurious granite finish, elevating the aesthetic appeal of your surroundings with additional UV stabilisation.
- **Roto-Moulded Threaded Lid:** Features a heavy-duty roto- moulded threaded lid for enhanced durability and secure sealing, ensuring long-lasting performance.
- **Wide Size Range:** Available in sizes ranging from 500 to 2000 litres, catering to diverse household or commercial requirements.

# FLUSH CISTERN | SEAT COVER

## **WATERSTONE** भरोसे का दूसरा नाम **WAVE**

- Available In White & Ivory Colour
- Tank Capacity - 10 Liters

## **WATERSTONE** भरोसे का दूसरा नाम **Smart**

- Available In White & Ivory Colour
- Inbuilt space for air freshener/odour buster
- Tank Capacity - 10 Liters

## **WATERSTONE** भरोसे का दूसरा नाम **Smart** DUAL FLUSH

- Dual Flush for optimal use of water
- Inbuilt space for air freshener/odour buster
- Available in white & ivory colour
- Tank Capacity : 4/10 Liters

## **WATERSTONE** Seat Cover without Jet

Available in  
with Jet & without Jet

# CABINET & CORNER SET

the Habbit!

# WATER TANK ECO BASE

#### Features:

- Uniform surface for a sleek aesthetic.
- Quick and easy installation.
- Durable yet lightweight.
- Heavy load-bearing capacity.
- Easy cleaning and maintenance

Waterstone Eco-Base is a modern and a cost-effective solution for placement of water storage tanks on a level base. Unlike conventional cement bases, Waterstone Eco-Base elevates the tank slightly above ground level, facilitating effortless cleaning and maintenance. Its smooth surface not only promotes cleanliness but also enhances the longevity of the tank.

**Suitable for Size (In Ltr)**

500 / 750 / 1000
